

# HEAL THE HEALER

For frontline violence intervention workers and organizations that support them.

## EDUCATION PATHWAYS

A series of monthly seminars that deepen our understanding of the context, the conditions and capabilities for healing within the context of our violence prevention and intervention communities.

3rd Thursday of the Month - Hybrid  
10:00-11:30 AM

Register at <https://tinyurl.com/healthehealers25>

## INTERVENTION PATHWAYS

### DROP-IN SUPPORT

A welcoming space to share experiences, receive support, and engage in collective care practices in a nonjudgmental environment.

Saturdays, 10:00 AM  
Zoom Meeting ID: 826 2830 8842  
Password: HEALERS

### GROUP THERAPY

A five-session, four-week program with weekly two-hour sessions to help healers process trauma, burnout, and compassion fatigue through guided healing practices.

### COACHING SERVICES

Provides personalized support for staff in organizations to cultivate sustainable practices, strengthen leadership skills, and navigate challenges.
